Every bidder must include a letter of support with their bid from all current and approved supplier(s). A new letter of support will be required for every solicitation, from every supplier. The supplier must include the quantity in cases they are committing to the bidder. USDA will not award a quantity that exceeds the sum of all supplier#s committed quantities to a particular bidder.

For a new-to-USDA contractor and existing contractors who are bidding on new products, a probationary period may be implemented in which awards are limited to 10 truckloads per product. Contractor must demonstrate successful delivery of at least five (5) truckloads of product in order to be removed from probationary status on future solicitations. For the purposes of this rule, successful delivery is defined as product delivered on-time and in acceptable condition according to the terms and conditions of the contract. Any delivery problems directly attributable to the Government will not be held against the contractor.

2. If the contractor ships noncompliant product after the date of the cure notice:
 - a. USDA/AMS will deduct a 50% discount from the invoice for all noncompliant deliveries;
