FRESH CITRUS, SOLICITATION NO: 2000008171

The U.S. Department of Agriculture (USDA) invites offers to sell Fresh Oranges pursuant to the AMS Master Solicitation for use in the National School Lunch Program and other Federal Food and Nutrition Assistance Programs. Acceptances will be announced by midnight, November 30, 2021. Deliveries are to be made between January 1, 2022 to April 30, 2022.

The Contract Specialist handling this purchase will be Nicholas Wiber at Nick.Wiber@usda.gov. The Contact Officer handling this purchase will be Kyla Stoufer at Kyla.Stoufer@usda.gov. Please contact the specialist first.

Small Business Set Asides for NAICS code 311991 with a size standard of 500 employees or less are as follows:

(100283)- ORANGES CTN-34-39 LB- 100% Small Business Set Aside

Every bidder must include a letter of support with their bid from all current and approved supplier(s). The templates for the letter of support are attached to the solicitation with the required elements. Each letter of support is only good for one solicitation. A new letter of support will be required for every solicitation, from every supplier. The supplier must include the quantity in cases they are committing to the bidder. USDA will not award a quantity that exceeds the sum of all supplier#s committed quantities to a particular bidder.

For a new-to-USDA contractor and existing contractors who are bidding on new products, a probationary period may be implemented in which awards are limited to 10 truckloads per product. Contractor must demonstrate successful delivery of at least five (5) truckloads of product in order to be removed from probationary status on future solicitations. For the purposes of this rule, successful delivery is defined as product delivered on-time and in acceptable condition according to the terms and conditions of the contract. Any delivery problems directly attributable to the Government will not be held against the contractor.

Vendors or subcontractors who are supplying fresh fruit crops to the United States Department of Agriculture (USDA) must ensure that each of their suppliers/subcontractors who grow, harvest, pack, hold, and handle product have approved and current food safety verification audits PRIOR to the bid opening date of this solicitation. Good Agricultural Practices (GAP) and Good Handling Practices (GHP) scopes which are necessary to meet the minimum requirement to be deemed responsive are as follows:

GAP - Farm Review AND Field Harvesting & Field Packing Activities  
GHP - House Packing Facility AND Storage & Transportation

All these requirements shall be met PRIOR to the bid opening date.

**SOLICITATION**  
**Domestic Commodity Invitation****Information****Description: 12-3J14-22-B-0055**  
**Bid invitation number: 2000008171**

Brokers are exempt from the USDA GAP/GHP requirements themselves, HOWEVER suppliers/subcontractors performing under the contract shall have the applicable USDA GAP/GHP certification(s).

Verification audits shall be performed by the USDA, AMS, SCP-SCID representatives only.

In order to be found responsive the contractor and/or its subcontractors/suppliers must be in compliance with USDA GAP/GHP certification. Offerors must include in their bid the GAP and GHP Audit Verification attachment, which is found in the attachments section of this solicitation. Offerors who do not complete this form in its entirety, do not include the form as an attachment to their bid, or are missing the required USDA GAP/GHP scopes listed above shall be deemed nonresponsive.

All audits are valid for one year after the date the audit was conducted. More information on USDA GAP/GHP audits can be found here: <https://www.ams.usda.gov/services/auditing/gap-ghp> or by reaching out to [scaudits@usda.gov](mailto:scaudits@usda.gov)

Awardees may ship and supply from any location found here:  
<https://apps.ams.usda.gov/GAPGHP/reportG01.aspx>

If USDA/AMS finds that suppliers used by the contractor are not in compliance with AMS GAP/GHP certification requirements after the product is delivered, the following courses of action will apply:

1. A cure notice shall be issued informing the contractor of their failure to comply with the required elements of this solicitation. The USDA will then deduct a 50% discount from the invoice for all noncompliant deliveries shipped or invoiced prior to the date listed on the cure notice.
2. If the contractor ships noncompliant product after the date of the cure notice:
  - a. USDA/AMS will deduct a 50% discount from the invoice for all noncompliant deliveries;
  - b. The contract will be terminated for cause; and
  - c. The contractor will be suspended from participating in all future USDA/AMS fresh fruit and vegetable solicitations for a period of one year from the date of contract termination.

This solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port. Purchases will be made on an f.o.b. destination basis to cities on this solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

Offers must be submitted electronically via the Web-Based Supply Chain Management System (WBSCM). Offers submitted by any means other than WBSCM will be deemed nonresponsive. Offerors
