If specified in the solicitation, certain quantities are set aside exclusively for small business firms under the Small Business Act (15 U.S.C. 631, et seq.). Farmer-owned cooperatives, qualified as large under applicable SBA rules, are also eligible for award of set-aside quantities as provided in 7 U.S.C. 2209f.

If a large farmer-owned cooperative is awarded quantities under a small business set-aside, it shall perform the contract or cause the contract to be performed in accordance with the obligations of a business concern eligible for the small business set-aside.
