**NOTICE OF SMALL BUSINESS SET ASIDE:**

If specified in the solicitation, certain quantities are set aside exclusively for small business firms under the Small Business Act (15 U.S.C. 631, et seq.). If a large farmer-owned cooperative is awarded quantities under a small business set-aside, it shall perform the contract or cause the contract to be performed in accordance with the obligations of a business concern eligible for the small business set-aside.

Bids received for these set-aside quantities from firms who are not small business concerns will not be considered. Small businesses that wish to bid on both the set-aside and the non-set-aside quantities shall submit separate bids for each quantity using separate entity codes or shall limit their minimum quantity to the set-aside quantity. If the 8(a) small business firm is a nonmanufacturer, it shall meet the definition and requirements outlined in FAR Part 19.
