**NOTICE OF SMALL BUSINESS SET ASIDE:**

If specified in the solicitation, certain quantities are set aside exclusively for small business firms under the Small Business Act (15 U.S.C. 631, et seq.). Farmer-owned cooperatives, qualified as large under applicable SBA rules, are also eligible for award of set-aside quantities as provided in 7 U.S.C. 2209f.

If a large farmer-owned cooperative is awarded quantities under a small business set-aside, it shall perform the contract or cause the contract to be performed in accordance with the obligations of a business concern eligible for the small business set-aside.

Bids received for these set-aside quantities from firms who are not small business concerns will not be considered. In the event the Government is unsuccessful in contracting with an eligible small business concern(s) for the set-aside quantities, it may award the quantities to other than small business concerns.

Small businesses that wish to bid on both the set-aside and the non-set-aside quantities shall submit separate bids for each quantity using separate entity codes or shall limit their minimum quantity to the set-aside quantity. Failure to comply with this requirement may cause the entire bid to be considered non-responsive.

**NOTICE OF 8(a) ACQUISITION:**

The Government may increase the reserve to adjust quantities to carlot increments in the event of multiple awards to eligible 8(a) firms. The Government shall offer for award to each 8(a) firm the lesser of: 1) their quantity bid of each targeted commodity, or 2) their proportional share of each targeted commodity, if the total quantities bid by all eligible 8(a) firms exceeds the amount of each targeted commodity. In no event shall the Government offer for award an amount in excess of an eligible 8(a) firm's maximum quantity, if so established by the Government. If the 8(a) small business firm is a nonmanufacturer, it shall meet the definition and requirements outlined in FAR Part 1. In the event the Government is unsuccessful in contracting with an eligible 8(a) firm for the reserve quantity, it may award the quantities to other than 8(a) firms.
